

## Art Contest

### Steps:

#### 1. Get Permission

- Make sure you speak with the proper individuals such as your principle or boss to ensure that you can use their office or other facilities for distributing prizes to the winner(s).

#### 2. Get Volunteers

- Ask friends, family, co-workers and other members of the community for help with the organization of the contest and deciding the winner(s)

#### 3. Advertise

- Use eye-catching and colourful flyers and put them up and hand them out in popular areas.
- Be sure to include the place and date where the contest will be held
- If the art contest is being held at a school it would be effective to have it advertised on the intercom or morning/afternoon announcements

#### 4. The Contest

- Students will compete to make the most creative, decorative, eye-catching and informative type of art (whether it is a painting, a drawing, or sculpture )

#### 5. Choose a Winner

- Have the organizers of the contest choose who wins.

### Tips:

- Few winners should be chosen. For example, there could be a winner for the most artistic poster, the most eye-catching, the most original, the most informative, etc. That way people will not feel left out if they do not have artistic or other abilities.
