

How to Organize Karaoke Night

Karaoke is not about who has the best voice but having fun while raising awareness for an organization or campaign

Steps:

1. Get volunteers

- Ask friends, family, co-workers and other members of the community to help you organize this event

2. Decided on a Venue

- Either at school or other locations that provides Karaoke equipment

3. Advertise

- Create posters to put up, hand out flyers, make announcement at your school and or create a facebook group promoting the event.
- To have a good turnout advertise at least 3 weeks before the event

4. The Event

- Come early to set up
- Decorate according to a theme (i.e pink for day of pink)
- Have refreshments
- To make it fun have awards (best singer, best duet etc) and prizes

Tips:

- If you organize your event at school, than you could either rent or purchase a karaoke machine.
- If you are unable to rent or purchase a karaoke machine you can use karaoke DVDs and set it up on a regular television; ask your school to provide the microphones.
